Dear Kane County Neighbor,

I enthusiastically endorse Kevin Williams for Kane County Sheriff in the March 18 Republican Primary. Lt. Williams currently heads the Community Policing Division of the Sheriff's office where he works with all Kane residents, including Neighborhood Watch groups and senior citizen organizations, to promote public safety in all corners of our county.

Lt. Williams has 22 years of experience in the Kane County Sheriff's Office where he has served in many important roles including Gang Enforcement Specialist, Tactical Gang Crimes Officer, Patrol Division, Investigations, Special Operations, and as a Corrections Officer. Lt. Williams brings a total of 35 years of public service experience to the table, having also worked professionally as a firefighter and paramedic.

So, Kevin brings both breadth and depth of experience to the important duties of Sheriff.

As County Board Chairman, I have worked hard, with many others, to successfully "freeze the County property tax levy" since taking office in December of 2012. This cannot be done without the cooperation of the county elected officials, department heads, and county board members. The Sheriff's Department represents one of the largest portions of the Kane County budget, so it is essential that we have a Sheriff who is fiscally conservative and responsible. I trust that Lt. Williams will use our tax dollars wisely.

Lt. Williams is the best person for the job. His primary opponent is also a good man, but he retired from law enforcement five years ago. The best choice for Sheriff is the man who is wearing the badge and gun every day on the front lines, currently serving and working with fellow officers and citizens to keep Kane County safe.

Please join me, and my wife Sarah, in voting for Lt. Kevin Williams for Kane County Sheriff on March 18, or via Early Voting starting March 3rd.

Very sincerely,

Christopher J. Lauzen
